

CONGREGATION OF THE FRANCISCAN HOSPITALIER SISTERS OF THE IMMACULATE CONCEPTION XXVII GENERAL CHAPTER July 12 to August 12 2019

Newsletter Nº 8

Your Transparency!

Holy Mary of Angels,
Give to my heart
The transparency of your heart
And to my eyes
The clarity of your eyes

Holy Mary of Angels
Print in my heart
The gratuity of serving
And the unmeasurable LOVE
That filled your life!

Holy Mary of Angels,
Put it on my lips
The word that creates, that builds
The word of reconciliation,
The word of peace and forgiveness.

Holy Mary of Angels,
Give to my hands
The form of availability
In any situation.

Holy Mary of Angels,
Give to my feet
The hasty dynamism of Your
Visitation.
May my whole being be a reflection
of Thy living,
Watch over me and guard, in Your
heart O Mother
This yearning that is mine
And yours too!

JULY 31

Sr. Magda Brasileiro, the coordinator of the Motivating Team of the Process of Revitalization and Reorganization - PRR, presented to the Chapter Assembly, with great enthusiasm, the memory of the stages that have been undertaken. She also presented the Working document of the Chapter, indicating the work to be done individually and in groups. This work that is going on till the 3rd of August.

As daughters of St. Francis of Assisi, on the 2nd we celebrated the Feast of Our Lady of the Angels of the Portiuncula. The Sisters of the Province of Santa Maria, who were in charge of the liturgy of this day, helped the chapter assembly to praise Mary, with a beautiful prayer of thanksgiving, during the Eucharist.

“Who will not willingly work in the vineyard of the Lord?” (Bessed Maria Clara do Menino Jesus)

During these days, the chapter Sisters, having in mind all the Sisters of the Congregation, read, pray, share and seek to listen to the Holy Spirit, in openness and creativity, seeking to find the will of God to impel, motivate and revitalize the Congregation, with audacity and creativity like our Founders.

“Relax; He thinks about each of us, in particular.”
(Blessed Maria Clara do Menino Jesus)
